CORPORATE EVENTS

- Accommodates up to 700 people
- Full access to our terrace and indoor space
- Customized menus available for your event

TEAM BUILDINGS

We have designed golf activities for the groups that will be part of perfect corporate day or team building event. During the introduction activity participants get an overview of the game including history, basic rules and etiquette and are able to go on the course with our coach. The participants will be taught to swing different clubs so they are able to hit the balls on the golf course and take part in a little competition

BUSINESS CONFERENCES & MEETINGS

At our restaurant, we offer convenient spaces for business conferences and meetings during breakfast or lunch hours. Depending on the size of your team, you can reserve either our indoor area or terrace. It's an ideal setting for productive business meetings with its necessary equipments, customizable menus and a comfortable ambiance.
